

Oticon Companion

One powerful app.
So many benefits.

oticon
life-changing technology

**Discreetly control,
customise, and care**
for your hearing

Your user-friendly app

The Oticon Companion app gives you simple control over your settings, direct sound streaming¹, convenient personalisation, easy in-app help, access to remote care, and so much more. Right at your fingertips.

Find out more about all the app benefits on the next pages. And scan the QR codes to watch helpful videos about specific features.

Empower yourself in any situation

Get the most out of your hearing aids with the easy-to-use Oticon Companion app. With a great user experience from your compatible smartphone, tablet, or Apple Watch, you can enjoy more control, support, and independence anywhere.

1. Direct sound streaming from compatible devices only. Please visit oticon.com.au/compatibility for more information.

Ask your hearing care professional to check the boxes for information relevant to your hearing aid solution.

Enjoy discreet control

Just slide or tap your screen to easily adjust your volume, change programs, connect to accessories, and more - easily and discreetly.
